

RETURN FORM

You just downloaded the return form.

In order to ensure a speedy process please follow the below guidelines:

- The order is not older than 4 weeks
- The product has not been used
- The product has not been assembled or mounted
- Complete wheels cannot be returned
- No guarantee can be given for the return of light alloy, aluminium and steel rims.
- Returns are generally only possible for undamaged goods in the original packaging (Photograph the parcels before shipping to avoid problems caused by transport damage)
- Only a fully filled and signed claim form will be processed. Please do not forget about the DOT of the product.
- Hereby I agree to the return costs as indicated on this form. (See the table below).

When the products are collected by the transport company you will receive a proof of pickup receipt.

Please make sure to save this receipt, this your proof for Tyres in Stock.
